

UTMB: Got a number for 2014 in the draw

Happy new trail running everyone. I have got a bib for the UTMB this year again. Today at 10 AM CET the results of the draw have been published.

State of your registration

Draw

Well done, you have been successful in the draw; you may now finalise your registration.

[Finalise my registration](#)

I was lucky, since i had a coefficient of 2 for this years draw. Since last year i took part, but only because i donated 2000 Euro for a solidarity bib. Hopefully you have made it through also. See you in August in Chamonix.
